SACRED HEART CHURCH ARCHIVE

Our church is a very important building, not just at the heart of our spiritual and parish life, but also historically and architecturally for us as a parish and for the wider community. For many years David Holden has collected a variety of materials concerning our church and the benefactors, architect, artists and craftsmen who designed and built it. These have now become the foundation and nucleus of our Church Archive which will be kept securely in the Parish Hall. Of course, an archive has to be a living collection. More material was added recently after our celebration of the centenary of the laying of the foundation stone of the church on 25th November 2019, The Feast of St. Catherine of Alexandria. We plan to form a group, The Church Archive Group, which will meet maybe three times per year. During the meetings we will learn more about the church building (David has some fascinating stories!), study original documents and photographs, perhaps undertake little research projects and review further additions to the archive. Some people may want to become involved in giving tours of the church to school parties and other groups who come to visit. Would this be of interest to you? We hope that a few dedicated and enthusiastic people will want to be involved in learning about our history and preserving our heritage for future generations. Please contact David Holden on 01905 775475 to register your interest.

As in 2019, this retreat is being offered throughout the UK through the "Pathways to God" website www.pathwaystoGod.org/lent-retreat-2020. The retreat offers an opportunity to deepen our knowledge of scripture and an introduction to different methods of prayer. The aim is to help people know, love and serve Jesus Christ more deeply. The next meeting is on Wednesday 4th March from 7.00 until 8.00 pm. Any names and contact numbers provided will be kept for the duration of the retreat only and then destroyed.

IRRETRIEVABLY LOST!

I am told that, a couple of weeks ago, an envelope was left for me in the Sacristy. Before I became aware of it, someone watched helplessly as it slipped behind the cupboards, where, I fear, it will remain until some archaeologist in the next millennium wonders what it was all about. As I don't want to appear impolite by ignoring whatever it was, that whoever it might have been had left for me, perhaps whoever you might be will let me what it was. Many thanks, Kevin Larkin.
