

World Communications Day

2020

The Catholic Church celebrates World Communications Day on 24 May when we pray for those who work in the media

[Pray for] those who work in the media who work to communicate today so that people are not so isolated... who help us to bear this time of isolation

Pope Francis
during COVID-19
pandemic

O Mary, woman and mother, you wove the divine Word in your womb, you recounted by your life the magnificent works of God. Listen to our stories, hold them in your heart and make your own the stories that no one wants to hear. Teach us to recognise the good thread that runs through history. Look at the tangled knots in our life that paralyse our memory. By your gentle hands, every knot can be untied. Woman of the Spirit, mother of trust, inspire us too. Help us build stories of peace, stories that point to the future. And show us the way to live them together.
