**Your donation will feed
even more children!**

Sibongile and Sarah live with their family in a farming village in Zambia. The girls face many struggles – such as the two-hour walk to school. In November the area usually floods, making the journey even more difficult.

But the sisters walk to school knowing that they will soon have a nutritious serving of Mary's Meals. Sibongile says: "I eat my porridge at 11am. If there's no leftover food from the night before that will be the first time I eat."

From 1 November 2021 until 31 January 2022, donations to Mary's Meals will be doubled by a group of generous supporters, up to £1.6 million. You can help us access all the available funding by donating or setting up a regular gift today.

Together, through Double The Love, we can transform the lives of so many more children like Sibongile and Sarah.
