

Are you in receipt of State Pension and struggling with rising costs?

The cost of living crisis means many of us are paying higher bills/costs for our daily living.

Do you need support with increased costs for any of the following?

- Food
- Essentials linked to energy costs (boiler service or repair, warm clothing, blankets, purchase of fridge, freezer or oven)
- Wider Essentials (support with broadband, phone bills or essential transport costs)

If so, Droitwich CVS may be able to help you through Wychavon District Council's Household Support Fund.

Please give us a call to discuss an application which we can help you complete over the phone or in person.

Help may be in the form of supermarket vouchers or payment made towards an outstanding bill, but no cash will be given.

Telephone 01905 779115 and one of our friendly advisors will talk to you in complete confidence.

Please do not struggle in silence, assistance is available to support pensioners living in Wychavon is only a phone call away. If you know a friend or neighbour who may benefit from support please feel free to pass this information on.

New applicants will be prioritised.

Tel 01905 779115 to see what support is available.
